# About Us

## Marine, Industrial, Fire and Safety Equipment Specialists

At Resmar we are the foremost Industry specialists in the field of Marine fire safety equipment. We pride ourselves on being authorised distributors for Scott 3M, Drager, MSA, Abtech Safety, Globestock & Reid Lifting .

When it comes to fire fighting, respiratory safety equipment and gas detection you can depend on our resident team of experts for no nonsense technical advice.

We have a long standing history of supplying safety gear to the Petro-chemical, marine, waste management and pharmaceutical industries as well as construction, civil engineering and, of course, the public sector.

Established in 1973 and we bring to our customers over 20 years of professional knowledge and experience in Marine and Fire Safety products and services.

Reliability and excellent quality have been the trademarks of our company and we pride ourselves on the quality of the products and strive to bring our customers the best value for money possible, while never cutting corners on safety, which we have always been focused on.

We are proud of our diverse range of products and the high quality and excellence our suppliers offer.
